Dear World Class Indifference:

On behalf of the American Cancer Society's Relay for Life of Fairfield, and especially those we serve, thank you so much for giving your energy and talent (not to mention a Saturday evening!) to help make "Comedy for a Cure" such a success. The sold out show raised a total of \$2,928.00 for the Relay For Life, which will go towards supporting the research and programs of the American Cancer Society.

Not only was the show a success from a fundraising perspective, but it was a rousing success from a fun perspective, also! I can't even begin to count the number of compliments I've heard from people who attended the show – everyone I've talked to had a wonderful time, and having seen your performance myself, it's pretty clear why!

Thank you, too, for your hard work and cooperation in getting the show organized. It was a pleasure working with everyone, and I look forward to working with you all again. Speaking of which, when should we start planning for next year's show? Or should I say shows!?!

It is because of the dedication and support of organizations like yours that we are able to make a difference in the fight against cancer. Thank you for your generosity.

Sincerely

A handwritten signature in black ink that reads "Jason Atkins".
